### OUTDOOR AND NATURE PLAY: A GLOBAL LOOK AT RESEARCH, POLICY, & PRACTICE

 Thursday, March 30th, 2023  20:00 GMT

#### *Dr. Mariana Brussoni - Canada*

Dr. Brussoni is a Professor in the Department of Pediatrics and the School of Population and Public Health at the University of British Columbia in Canada. She will discuss her research on child injury prevention and children's risky play, focusing on parent and caregiver perceptions of risk, and design of outdoor play-friendly environments.

#### *Mairi Ferris - Scotland*

Ms. Ferris joined Inspiring Scotland's Thrive Outdoors team in 2017, where she works specifically on outdoor early learning and childcare and leads their partnership with Glasgow City Council. Mairi is a qualified early learning and childcare practitioner and will discuss the power of position statements and policy relating to outdoor play/nature play.

#### *Fiona Harris - Australia*

Ms. Harris is an early learning and childcare practitioner in Australia. She will discuss the ins and outs of Beach Kinder and how the outdoors offers a different learning experience than the traditional classroom.
